

Kindergarten Mathematics:  
Concept 1: Number Concepts to 5

Ex1.3:

Name: \_\_\_\_\_ Date: \_\_\_\_\_ Mark: \_\_\_\_\_

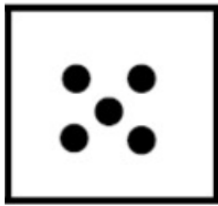

Section 1: How many? Write the number

|      |                                                                                   |
|------|-----------------------------------------------------------------------------------|
| e.g. |  |
|      |  |

|   |                                                                                     |   |                                                                                     |   |                                                                                       |
|---|-------------------------------------------------------------------------------------|---|-------------------------------------------------------------------------------------|---|---------------------------------------------------------------------------------------|
| 1 |   | 2 |   | 3 |   |
|   |  |   |  |   |  |
| 4 |  | 5 |  | 6 |  |
|   |  |   |  |   |  |

Section 2: How many? Write the word.

|      |                                                                                   |
|------|-----------------------------------------------------------------------------------|
| e.g. |  |
|      | <u>three</u>                                                                      |

|   |                                                                                     |   |                                                                                     |   |                                                                                       |
|---|-------------------------------------------------------------------------------------|---|-------------------------------------------------------------------------------------|---|---------------------------------------------------------------------------------------|
| 1 |    | 2 |    | 3 |    |
|   | <u>three</u>                                                                        |   | <u>one</u>                                                                          |   | <u>five</u>                                                                           |
| 4 |  | 5 |  | 6 |  |
|   | <u>zero</u>                                                                         |   | <u>two</u>                                                                          |   | <u>four</u>                                                                           |
